

# SUPPORT PRIMARY MUSIC

“Creativity is contagious, pass it on.” – Albert Einstein

## DID YOU KNOW?

Students who participate in a high-quality music program before 4th grade:

- Score higher on standardized tests
- Increase brain size and activity
- Have larger vocabularies and enjoy advanced reading skills
- Engage areas of the brain involved in paying attention and improving memory

## WELCOME BACK TO SCHOOL!

This year, we really need your help to support our Primary Music Program. Unfortunately, the District does not pay for K-3 music but that doesn't mean it's not incredibly important! **It's up to us – the parents of a great group of kids – to give the gift of music.**

Not only is your **donation 100% tax-deductible**, we would like to acknowledge contributions made to this very important program.

- \$50-\$99:** Donations acknowledged in concert program.\*
- \$100-\$249:** The above + special “thanks” in yearbook.\*
- \$250+:** All of the above + become an official FRIEND OF LRES. This benefit includes a complimentary legacy tile (*donations must be made/received by 9.29.17*).\* Other FRIEND OF LRES benefits can be found at [www.lrespta.com](http://www.lrespta.com).

On behalf of the LRES students and staff, I ask you to be generous with your tax-deductible donation and to participate in arts-related events and fundraisers. **Every gift is appreciated!!** With your help, we can enhance our music program and provide an enriching experience for our students.

Thank you!
