

DON'T MISS OUT!

LADERA RANCH MIDDLE SCHOOL 6TH GRADE REQUIRED READING

During your child's 6th grade school year, the following novels will be assigned by the English/ Language Arts teachers. Many families choose to purchase the books so that the students can annotate and highlight the important plot events and character development. Annotations have been proven to increase reading comprehension and retention of information. Books are available in the library in limited quantities if you choose not to purchase a set.

Our English Department has sourced these books for you, meaning that you can buy the books conveniently from us in advance! And the best part is, 18% of the sale price goes directly back to our school so we can continue to fund our reading programs!

What if I just want to order from Amazon? Well, our bundle is CHEAPER than buying these books on Amazon. Also, if you buy from Amazon, our school does not get the 18% back.

Amazon's Price: \$53.60

Our Price: \$50 (with 18% going back to our school!)
